

# AJAY MISHRA

Web Developer | DSA • Generative AI | Seeking Summer 2026 Internship.

Greater Noida, UP | +91 9389969422 | [ajaymishraj25@gmail.com](mailto:ajaymishraj25@gmail.com) | [LinkedIn](#) | [Portfolio](#)

## PROFESSIONAL SUMMARY

First-year B.Tech CSE (AI) student at NIET, Greater Noida (AKTU) and Web Developer who has shipped two production-grade web applications serving 500+ active users. With Firebase, privacy-first design, Prompt Engineering, and Generative AI-accelerated development. Strong foundation in Data Structures & Algorithms (C). Seeking a Summer 2026 web development internship.

## FEATURED PROJECTS

**Bunkoo Meter** - Smart Attendance Tracker ([bunkoo-meter.web.app](http://bunkoo-meter.web.app))

JavaScript, Firebase, UI/UX Design

Built and deployed web attendance tracking system actively serving 500+ users across colleges.

- Implemented real-time attendance percentage monitoring, scenario simulation, and automated reports.
- Designed with localStorage caching for sub-second load times.
- Achieved 3,900+ tracked events and 2,100+ platform views within 3 months of deployment.
- Accelerated full development cycle using Prompt Engineering and Generative AI-assisted workflows.

**Finacy** - Business Management System ([finacy-91d2a.web.app/](http://finacy-91d2a.web.app/))

JavaScript, Firebase, Prompt Engineering

Developed V2.0 all-in-one command centre for local small businesses (inventory, sales & rentals).

- Engineered local-first architecture ensuring 100% data privacy — all records stay on user's device
- Added real-time low-stock alerts, product variant management, and automated rental tracking
- Delivered a secure, high-performance solution focused on simplicity and privacy-first design

## SKILLS

**FRONT END DEVELOPMENT** | HTML5 • CSS3 • UI/UX Design • Responsive Architecture

**BACK END DEVELOPMENT** | Firebase (Auth • Hosting)

**DATA STRUCTURES & ALGORITHMS** | Arrays • Linked Lists • Sorting • Searching

**GENERATIVE AI & TOOLS** | Generative AI • Prompt Engineering • AI Workflow Automation

**PROGRAMMING LANGUAGES** | C • C++ • Python

## CERTIFICATIONS

- [Next Gen Technologies](#) | Infosys Springboard | February 2026
- [Master Generative AI & Generative AI tools \(ChatGPT & more\)](#) | Udemy Business | January 2026

## EDUCATION

- ☐ **Noida Institute of Engineering & Technology (NIET)** | Greater Noida, UP  
B.Tech in Computer Science (Artificial Intelligence) | 2025-26, Present (1st Year)
- ☐ **Indian Public School (IPS)** | Vrindavan, UP  
Higher Secondary (12th Grade) - Science Stream | 2025
- ☐ **Kanha Makhan Public School (KMPS)** | Vrindavan, UP  
High School (10th Grade) | 2023 | 96.6% (Distinction - Top Performer)
